

Classification changes for eight organizations in the 2026 data

As part of ongoing quality assurance, we re-coded the state, size, subsector, and urban/rural fields for eight organizations in the 2026 data.

Incorrectly coded survey respondent	State		Size of annual expenses		Nonprofit subsector		Urban versus rural	
	Old value	New value	Old value	New value	Old value	New value	Old value	New value
1	MA		\$500,000–\$999,999	\$1 million–\$9,999,999	Human services	Public and societal benefit		
2	FL		\$1 million–\$9,999,999	\$10 million and above				
3	CA		\$50,000–\$99,999	\$100,000–\$499,999	Human services	Health		
4	PA		\$1 million–\$9,999,999	\$50,000–\$99,999	Health	Education	Urban	Rural
5	TX		\$50,000–\$99,999	\$1 million–\$9,999,999	Human services	Health		
6	DC	MD	\$100,000–\$499,999	\$1 million–\$9,999,999	Arts, culture, and humanities	Education		
7	NY		\$100,000–\$499,999	\$1 million–\$9,999,999	Health	Human services		
8	MS		\$100,000–\$499,999	\$1 million–\$9,999,999
